Juniors: A Step Above the Rest

The junior year is the second most memorable year of one's high school career. This year the junior class, with the help of sponsor Jan Butterworth, succeeded in many ways. It hosted a ring ceremony, Miss HHS pageant, and the Junior-Senior Prom. However, let's not forget the most important legacy of the class of 1996 — their spirit.

It began with "Juniors, Juniors, What's your cry . . . V-I-C-T-O-R-Y!" Then the juniors defeated the seniors, sophomores, and the freshmen in the Spirit-Link Contest, and received the Spirit Stick Award. They also placed second in the Homecoming Parade. When asked about Junior Class activities, sponsor Jan Butterworth replied, "This is an incredible class. Every event has been completed with intense energy and loads of enthusiasm. I trust the juniors to maintain their spirit through June, 1996."

Classy '98 Arrives

"How do I get to the second floor for my next class?" an anguished freshman asked a seasoned upperclassman on the first day of school. The mischievous reply might have been, "You just go to the rear of the library and take the elevator." Realizing that the elevator story was a hoax was just the beginning of a stressful adjustment period for members of the class of 1998. Remembering personal academic schedules and locker combinations, the routes to seven classes, and new teachers' rules at times seemed overwhelming. However, the excitement of becoming a high school student overshadowed the first week's difficulties. The Freshmen Class proved that it was worthy of high school status by actively participating in special activities during Homecoming Week, as demonstrated in the photo at right.

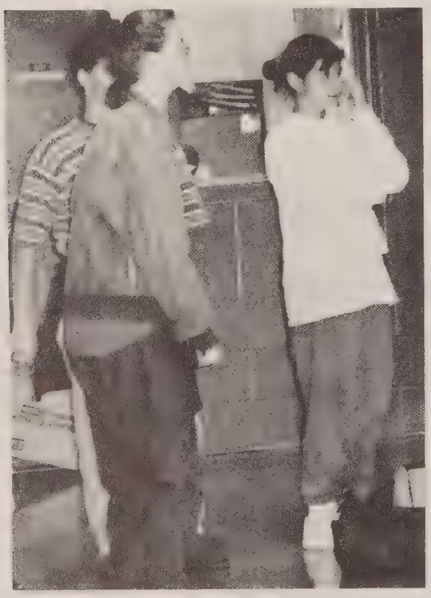
COLLEGE DAY

College Day was held on Nov. 2, 1994 in the gymnasium. The purpose was to expose students to in-state colleges and recruiters.

College Day was organized by the Guidance Department. They sent invitations in late August to all colleges, and many replied favorably. The format for College Day was prepared by School and College Relations Committee of the Virginia Association.

For many students, this event was their first opportunity to gather extensive information on the colleges of their choice.



Students Rebekah Fields, Nikki Breeding, and Sandi Mueller pause to chat during College Day.

End of the Road

The feeling of graduation! It's a feeling everyone had waited for since the first day as a freshman. For the graduating class of 1994, that dream became a reality on June 17, 1994. Diplomas were given out to 217 students. Heart-warming and tearful speeches were given by valedictorian Rebecca Slagle, salutatorian Mark Klingman, SCA President Ronald Harris, and Class President Chantel Walker. The speeches varied in content, bringing forth memories that would bring tears of joy or sadness.

Although the end of the road has been reached for high school, there are still many bridges that will be crossed. Many chose to join in the military or go to college. Whatever road was chosen, high school years have many unforgettable memories.

Visions of Elegance

April 23, 1994 marked a night that Hopewell Juniors and Seniors alike would never forget. Waiting for this special night when all could dress the part of elegance, many Juniors and Seniors prepared weeks before. This memorable night was one of the last few nights that the Senior class of 1994 had together. Once again held at Fort Lee's Officers' Club, the Prom was an excellent success. After the Prom ende many dressed down and went the After Prom, which started midnight.

The crowd twists and shouts the night away.

Homecoming: Pride Gone Wild

The 1994 Blue Devil Homecoming started off with Spirit Week. Monday was College Day; Tuesday Opposite Sex Day; Wednesday Dress Up Day; Thursday Hat and Camera Day; and Friday was Blue and Gold Day.

On Thursday evening the Blue Devil tradition continued with a bonfire, an old tradition renewed in 1993. The chanting and singing continued while the football players and others gathered chanted, "Burn Generals, burn!" Juniors wrapped up Friday's pep rally, winning the Beta Club-sponsored Spirit Link contest and Spirit Stick.

Homecoming night was capped off with a football win. Halftime highlights included a performance by the marching band and naming of the homecoming king and queen. Second runners-up were Mary Buyalos and Ricky Irby; first runners-up were Tonia Hill and Stephen Kopalchick; and the 1994 homecoming king and queen were Travis Powroznik and Abby Ellington.

Chip Cook talks about his work as a disc jockey with B103.7.

The Real Day Of Work

Discovering a career area in which one wants to excel is not an easy task. Most books on the subject of careers give a one-sided view that does not help Hopewell High School students decide what they want to do after graduating. Luckily, Hopewell High School's administration provides a day in which information on the work force is given. This day was on Wednesday, November 16. On this day many local business owners and residents explained their jobs. The career areas explained ranged from law enforcement to microbiology. These one-on-one conferences help many to choose a career that is reflective of their interests.

DO YOU BELIEVE THAT CAREER DAY 1994 SERVED ITS PURPOSE?

I think that every Career Day serves its purpose for students to ask questions and pick up information about various jobs. The ones who are mature and serious about this activity are benefited by it.

— Howard Aderholt

"I think we should continue with career day, it is very informative, it gives an opportunity to see what is involved in various careers and what is required for that job."

Mrs. Archie

"I think that career day is an excellent opportunity for students to obtain information associated with various occupational fields. A career is something that you should enjoy doing, not a job . . ."

The judges named the winners as Second Runner-Up Jennifer Tush, Miss HHS Jillian Oliver, and First Runner-Up Candace Wright

For many girls, their junior year was the most memorable of Hopewell High. This was the case in HHS's auditorium on March 12, 1994. Forty young ladies participated in the Miss HHS pageant. This was a time for the girls to grow closer to their old friends, and make new ones. Those that made the Top Ten were: Candace Wright, Jennifer Tush, Amber Breeden, Mary Buyolas, Jillian Oliver, Krista Smith, Tara Mason, Laura Laird, Katrina Flynn, and Rafaela Branch. These finalists had to respond to the question: "If you were given any amount of money to give to a charity, who would it be and why?" Jillian Oliver was crowned Miss Hopewell High School.

Top Ten contestants Rafaela Branch and Krista Smith anxiously await the crowning moment of the Miss HHS pageant.

Devils Pull Off District Co-Championship

The Hopewell Blue Devils' Season was a hard-fought one, resulting in a co-district championship. "We should be proud of that (title), after starting out 0-5 and then rallying to win our last 5 out of 6 games," Coach Henderson commented. An interesting philosophy was reflected in the remarks of Travis Powroznik, who said, "It's not how you start, it's how you finish." At the zero hour before the playoffs began, a VHSL Appeals Board decided that Thomas Dale had violated league rules by allowing a foreign exchange student to play in two district games, thus costing the Knights these victories. Coach Parker summed up the turbulent season by exclaiming, "The year started out rough, but ended great!"

Coach Parker looks concerned as he encourages the Devils to play for the win.

J.V. FOOTBALL

This year the J.V. Squad lacked experience. Only 4 or 5 starters returned from the previous season. As the year progressed, the team started to come together. In every game played, the team was in a position where one or two breaks our way could have made a major difference. Mr. Simon stated that the team members needed to focus more on their off-season conditioning (weight-lifting and running) to improve performance.

GAME, SET, MATCH!

The Hopewell High School girls tennis team fought hard even though it was not a successful year. Ms. Genny Longerbeam returned to coaching after a ten-year absence and she enjoyed working with the developing team.

Dedicated parents showed up match after match to cheer on the team. Two parents in particular, Mr. Dane and Mr. Weigel, were of assistance on the practice court as well. A strategy to help develop younger players earlier would improve team performance, ". . . we need a J.V. Tennis Team," Ms. Longerbeam reported.

The team will lose four of its regular starters, meaning the rest of the team will need to fight hard to get ready for the upcoming season.

The Hopewell J.V. Girls' Soccer team had an outstanding first year, despite an agonizing wait for its first game (which was delayed almost a month due to rain-soaked fields).

With several players having sustained injuries during the first few games, the team might have been ready to give up. However, with renewed enthusiasm and confidence, the team went on to win 3 games at the close of the season. Coach Marvin Jones commented, "Excellent year! We worked hard, had fun, and won 3 of our last 4 games — not bad for our first year."

Assistant Coach Phyllis Kunkler said, "I find all of the girls to be a great group of young ladies, and look forward to working with them in the coming season!"

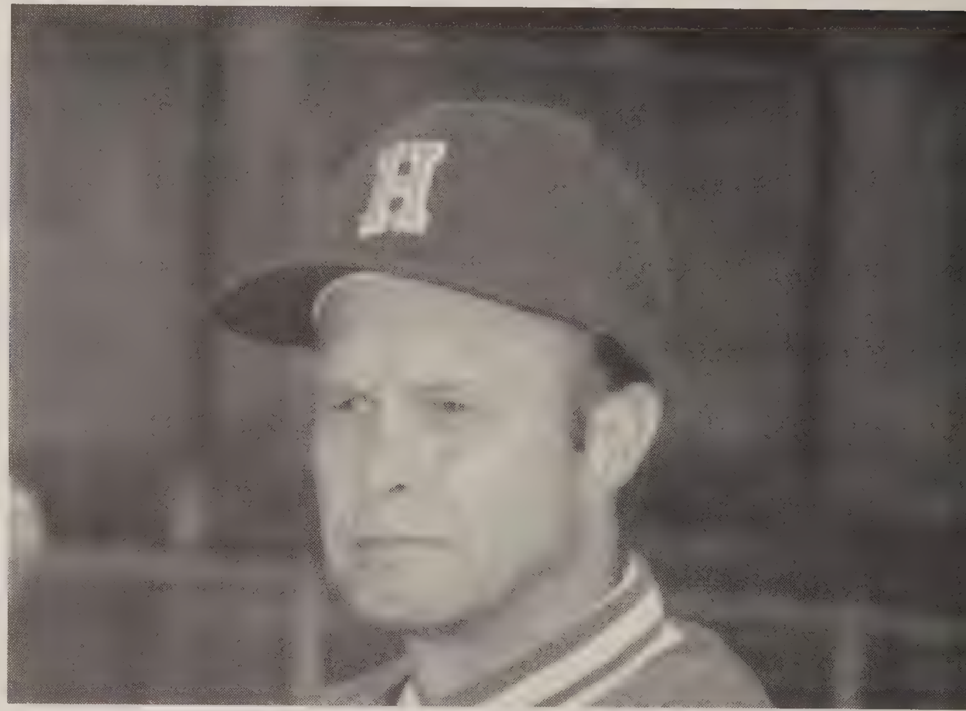
Soccer = Art

Spring of 94 will be a season to be remembered due to the anticipation of World Cup USA '94. The idea of World Cup Soccer coming to the U.S. for the first time excited the team and made the team play harder. With soccer came some changes with players graduating, and new players joining the team, nobody really knew what to expect. Throughout the year the team maintained their spirit and unity. The season was finished on a strong note with hopes for improvement for the next season.



Coach Gay is thinking intently about strategic changes to make at half-time against Meadowbrook.

Coach O'Neil with Assistant Coach Breeding gives his Devils a pep talk before the start of their game.

Spring of 94 was a season that will be remembered for years to come. This season brought on a lot of new challenges with players who have never played before. JV boys had a roller coaster of a year. The guys displayed a good playing attitude with great sportsmanship. Even though it was not a great season they were all excited and looked forward to next year.

Blue Devils' Softball Swings Into Action

The 1993-93 Varsity Softball season was filled with excitement and excellent teamwork. The Lady Devils fought an enduring battle against their opponents. Even with an overall record of 3 wins and 13 losses, the team never gave up the fight to win.

Throughout the season, the team members remained mentally strong. Coach Jane Carlson said, "It was good to see the team stick together after an unsuccessful season." The team members also thought that their togetherness was excellent. Amanda Hudson said, "The overall season wasn't the greatest, but the team stuck together and kept their heads up." Coach Carlson stated that through it all, "The team remained enthusiastic and dedicated." With attitudes like that, the Lady Devils are sure to have a very successful 1995 season.

J.V.s SOAR TO BREAKEVEN RECORD

The J.V. Softball season was a eight win, eight loss final record. For many of the players the most memorable experience was when the team won their last game to break 500. This J.V. team was the first to break even in four years. Crystal Cave's best moments were when she led the team cheers during the game.

The funniest thing that happened during the 93-94 season was when Jennifer Ellis told the team she was stealing second base and "the way she runs", according to Crystal Cave and Meredith Piczak. They enjoyed watching the way Jennifer ran because she takes baby steps. Apparently, the team had a fun season!

DEVILS STRIKE OUT COMPETITION

What a catch! Stephen "Duck" Kopalchik grimaces as he lands after catching a fly ball.

The Hopewell Blue Devils Varsity Baseball team, although fairly young, played rather well this year. They only had four returning starters for the 1994 season. The captains, all juniors, were Ricky Irby, Travis Powroznik, and Chris Whitlock. The Blue Devils ended their season with 11 wins and nine losses.

The highlight of the season, according to Ricky Irby and Stephen Kopalchik, was defeating Thomas Dale in the play-off game to get the fourth seed in The Central District Tournament. The next obstacle for the Devils to overcome was defeating the #1 team in the district, Dinwiddie. The task was completed when Hopewell shut out Dinwiddie 5-0. Hopewell's Cinderella season ended in the last game with a 2-1 loss to Meadowbrook.

SWING BATTER!

The J.V. Baseball team had a new coach last year, Mr. Kopalchick. Half of his team were eighth graders. Coach Kopalchick used many different methods of encouraging his team. He always told them "to always give 100% . . . never quit . . . do not be in awe of anyone, everyone can be beat represent yourself and Hopewell High School, in a professional manner at all times."

Several team members also believed in Coach Kopalchick's ideas. One of the players said that Both coach Henderson and Kopalchick would encourage the team by saying that, 'things just happen' and the players should not be overly critical of their mistakes."

James Trexlor said that his most memorable moment was his first homerun against Meadowbrook here at Hopewell High School.

Hopewell Runners Gain Silver Honors

At the beginning of the '94 cross-country season, the Devils were hoping for a break even record. However, the season turned out better than expected. Hopewell tied for second place in both district and tournament competition. With many underclassmen returning, next year should be even better.

The golf action for Hopewell High School this year was hot, hot, hot! Their patience and concentration paid off this year. Out of the 12 district games they played, they won them all. At the Central District tournament the team ranked second. Because of these achievements team member Ricky Chavis qualified as an individual for the State Tournament. With all their outstanding accomplishments, the Golf Team from now on will be recognized as a serious team playing a serious sport.

The JV and the Varsity Field Hockey teams had an excellent year. Both teams won many games, culminating in a Central District championship for the second year in a row. Eight players were named to the All-District Team. Abbey Ellington was named All-District Player of the Year. When asked about the season, Abbey commented, "Working together as a team is all-important."

A new tradition began for this year. Each time our player scored a goal, she performed a cartwheel in celebration. As the season progressed, more newcomers joined the "cartwheeling" ranks, including Coach Carlson!

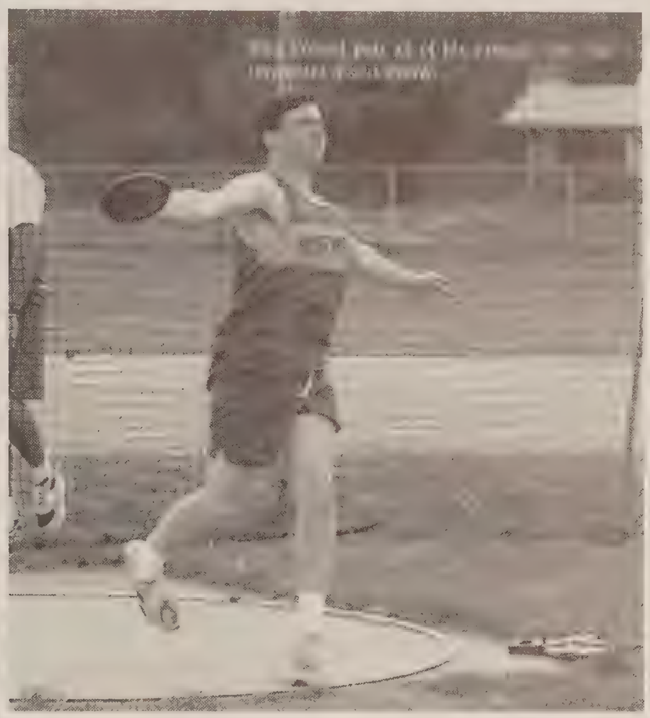
THE EXTRA MILE



[illegible]

The 1993-94 Hopewell boys and girls track teams' season was filled with hard work and determination. Coach Jeff Fitch made sure that no matter what, his team members always acted as winners. The girls ranked 7th in the district with an overall record of 0-6. The boys ended their season ranked 6th in the district with a 1-5 overall record. Coach Fitch reflects on the season saying "The team was rather young and inexperienced, but by the end of the season they had developed into a competitive unit. I look for the team to do much better in the coming year."

— Jennifer King

Jon Osmundson knows that if he wins this relay, it inches his team one step closer to victory.

All the Right Moves

This year's wrestling action was electrifying. During regular season competition, two wrestlers effortlessly defeated all their opponents Aaron Burnley (103 class) and Gary Herrington (heavyweight class). As a whole, the team placed second in the Central District standings and Central District Tournament.

In individual competition at the District tourney, Aaron Burnley (103 class) and Gary Herrington (heavyweight class) placed first; Jason Hager (145 class), Justin Matthews (160 class) and Matt Weston (171 class) earned second place. Third-place finishers were Napoleon Roux (119 class) and Lee Mitchem (112 class). Trey Henderson (125 class) and Jeff Anderson (152 class) placed fourth. Aaron, Gary Dumaka (McQueen), and Napoleon all earned a berth in the State tournament by placing second, third, third, and fourth in Regiona competition at Douglas Freeman. Hopewell High's team score at the Central Regional Tournament was ranked seventh, higher than any other Central District team.

Rallying School Spirit is Job #1

After weeks of practices and enduring sore muscles, girls were chosen to represent Hopewell High as cheerleaders for the '94-'95 season. The JV and Varsity squads were larger than usual, making the learning of cheers, chants, and dances more difficult than normal. However, when the squads were "Fired Up," there was no stopping school spirit. The cheerleaders spent hour after hour in practice for several competitions, including one in Florida.

When asked about the quality of student spirit, Mary Buyalos responded, "I feel that the spirit of the student body is greater than in all the years I have attended HHS. This makes me proud because that is what the cheerleaders are here for . . . to promote school pride. Not only does it take dedicated cheerleaders, it also takes students willing to participate, go crazy, and have fun!"

Stephanie Bell, Hilary Aderholt, Shanna Story, and Ms. Longerbeam are hard at work on a yearbook layout.

STAFF

There are many keepsakes that we all will cherish and hold on to for the rest of our lives. Our high school yearbooks are some of those keepsakes. Just opening them up reminds us of the most fun years of our lives. Even though I'm still in high school, from time to time I look back on my old Carter G. Woodson and even my freshmen and sophomore yearbooks. It shows how much we have grown and matured. Just think, at our 20th high school reunion we can have a blast joking on one another. Yearbooks truly make a difference in remembering high school years.

When if comes down to putting together a yearbook, it takes a lot of hard work, cooperation, and determination. I would like to thank my co-editor, Dwayne Thornton, for putting up with my stubborness. I would also like to thank the rest of the staff, especially Ms. Longerbeam. I know we have had a trying year, but we have produced a fabulous yearbook. I look forward to working with you all again next year.

Sincerely,
Shanna Story
Co-editor, Kaleidoscope

I would like to thank the faculty of HHS for allowing me a chance to help produce the yearbook. Producing the yearbook is no easy job. I would also like to thank Dan Delfaco, our publishing representative, and Taylor Publishing Company, for publishing our yearbook. Most of all I would like to thank Ms. Longerbeam, our advisor, for her assistance and guidance, Shanna Story for help in editing the yearbook and the rest of our yearbook staff for working with me this year and dedicating their time to the production of the book. I would like to wish next year's editor and staff luck in publishing the 1996 yearbook.

Breaking The

Think back to your freshman year, especially the first day of school. We felt so little and unimportant. Then we became friends with a few upperclassmen and you thought, "Hey, maybe high school is not as bad as I thought it would be." The first boundary was broken. Then we became sophomores. Remember the crush you had on _______________? The two of you ended up going steady. The second boundary was broken. Just when you thought high school did not get any better, you became a junior. You received your class ring, and got it turned _____times. Then the final turn, to lock it, was followed by a kiss from Someone Special. Also unforgettable was the HHS Pageant and Prom. The third boundary was broken. Then, with the blink of an eye, you became a senior. We could finally sit at the senior table without getting 'ragged on'. Our senior year meant much more than just special privileges. It was the last year we were in high school. This was the last time we went to the high school prom and homecoming. We were finally treated more like adults. The fourth boundary was broken.

The final boundary broken in high school was graduation — walking across the platform, shaking Miss Keith's hand, and at last receiving the diploma. This newly opened pathway would lead to many other doors that would be opened by our keys. Some chose to go to college, others joined the military. Whatever was chosen, good luck and best wishes to the graduating class of 1995, to whom this volume of the Kaleidoscope is dedicated.

The Colophon

Volume number seventy of the Hopewell High School yearbook, the Kaleidoscope, was published by Taylor Publishing Company in Dallas, Texas. Publisher's Representative was Dan DeFalco. Contact people at the plant were Janey Garrison, Melody Lundquist, Tina Avery, and Pam Ringold. The photography company was Lifetouch, represented by Darryl Nelson.

The yearbook is composed of one hundred sixty-eight pages printed on matte eighty pound Westvaco enamel. The endsheets are birch paper. The cover was a special design (Lithocote-foil stamped).

The type chosen for the yearbook was Weidemann Book. The senior section was in 4-color. The divider pages were designed by Shanna Story.

The cost of the 1995 Kaleidoscope was twenty-seven dollars. Seniors could have their names printed on covers for an additional three dollars each, and plastic covers could be purchased for one dollar each. Yearbooks sold in the spring cost thirty-five dollars each.
